

Jensen Swing Products  
9327 Wheatland Road  
Santee, CA 92071

### **Letter of Certification**

This is to certify that steel parts, chains, fasteners, aluminum rings, infant swing seats, and swing seats provided comply with the standards set in ASTM F 1487 and ASTM A-370, per tests documented by the National Testing Standards No. 26521-1 and 27269. Products are lead free per 16 CFR 1303, Consumer Product Safety Act U.S.C 2057a.

**Test Method:** All appropriate testing was performed as set forth in ASTM F 1487 and ASTM A-370.

**Testing Frequency:** Testing will be randomly performed on parts as required by ASTM and test results recorded.

**Warranty:** Jensen Swing Products Inc. warrants products provided for one year from installation against product failure due to manufacturer defect.

Sincerely,

Quality Assurance  
Jensen Swing Products, Inc.
